

School Communication Made Easy

Edmodo is the best way to stay active in your child's learning. Track their grades through a secure network, get notifications from your school, and communicate directly with teachers and administrators. When you're informed about what your child is doing at school, you can reinforce their learning at home!

You can sign up in seconds at edmodo.com/parent-signup. If you live in the United States or Canada, you can sign up with any cell phone by texting your child's class code to **27291**.

- **See your child learn.** Follow your child's class activities, assignments, grades, and more.
- **Stay informed.** Get automatic updates through text messages, email, or the Edmodo for Parents mobile app—you choose!
- **Get school notifications.** Stay on top of school events, calendars, lunch menus, and schedule changes.
- **Be in touch.** Directly message your child's teachers in real time with questions or concerns.
- **Save time.** Automatic updates make your busy life a little easier.

"Edmodo keeps me in the loop about assignments and grades without interfering in student-teacher conversations."
